### **Short Old Evans Road closure starts Friday**

MARTINEZ— Continued progress on the \$35 million Riverwatch Parkway Extension project calls for a weekend closure of Old Evans Road for construction and realignment approaching the Old Petersburg Road intersection.

Friday morning E.R. Snell Contractor Inc. will open the new Riverwatch Parkway intersection at Blue Ridge Drive. Once traffic returns to Blue Ridge Drive, crews will close the existing Old Evans Road to thru-traffic from south of Blue Ridge Drive to Briarwood Drive until the morning of Monday, July 25.

There will be a signed detour using McCormick Road over to Old Petersburg Road/Riverwatch Parkway. Local traffic still maintains access to nearby neighborhoods and businesses during this time.

Project No: STP00-7063-00 (001)  
P.I. No: 250470, Columbia County, Georgia
